1. The successful tenderer shall pay 5% of the total contract value towards security deposit by Demand Draft or Bank Guarantee in the approved format (Annexure – 11) valid upto ninety days beyond the completion of the contract, issued by a Scheduled Bank to the satisfaction of MFL, payable and enforceable at Chennai or thru RTGS as per Annexure – 14, within 21 days from the date of intimation of his selection. Independent confirmation of BG by the issuing Bank shall be sent directly to the DGM – Maintenance, Madras Fertilizers Ltd, Manali, Chennai - 600 068. The Bank Guarantee furnished towards the EMD amount is not adjustable towards security deposit and it will be returned to the contractor on furnishing security deposit payable by the tenderer, by way of DD or BG.
2. No interest shall be paid on the Security Deposit.
3. Failure to pay the security deposit or enter into contract shall be treated as failure to discharge the duties under the contract and shall result in cancellation of the offer of the contract. The EMD amount shall be forfeited and the tenderer shall be liable to compensate MFL for any losses incurred by MFL.
4. The security deposit shall be refunded within a reasonable time after the period of the contract subject to the contractor fulfilling all obligations/operations as required under the contract. Only after due satisfaction as regards to the payment of wages, bonus, ESI, PF and GST dues by the contractor, the security deposit will be refunded.
5. MFL reserves the right to appropriate any part or the whole of the amount of the security deposit without prejudice to other claims against the contractor for losses suffered by MFL due to breach or failures on the part of the contractor or due to termination of contract or contractor becoming disqualified because of liquidation/insolvency or change of composition. The decision of MFL in respect of such losses, failures, breach, damages, charges, expenses or costs, shall be final and binding on the contractor and shall not be called into question.
6. Whenever the security deposit falls short of the specified amount, consequent to any adjustment towards shortages/damages/losses, the contractor shall make good the deficit within 7 days from the date of receipt of intimation from the Company so that the total amount of security deposit shall not at any time be less than the specified amount.
7. In the event of the security deposit being insufficient or if the security deposit has been wholly forfeited, the balance of the total sum recoverable from the contractor as the case may be deducted from any sum then due or which at any time thereafter may become due and payable to the contractor under this or any other contract with MFL. If sum also be not sufficient to cover the full amount recoverable, the contractor shall pay to MFL on demand the remaining balance due as a debt.

ANNEXURE – 13**BUSINESS RULES FOR REVERSE AUCTION****I Rules for Reverse Auction:**

1. For the reverse auction, technically and commercially acceptable bidders only shall be eligible to participate.
2. MFL will engage the services of a service provider who will provide all necessary training and assistance before commencement of on line bidding on Internet.
3. MFL will inform the vendor in writing in case reverse auction, the details of service provider to enable them to contact and get trained.
4. Auction rules like event date, time, start price, bid decrement, extensions, etc. also will be communicated through service provider for compliance.
5. Vendors have to send a fax or scanned copy via email of the compliance form in the prescribed (provided by service provider) before start of Reverse auction. Without this, the vendor will not be eligible to participate in the event.
6. Reverse auction will be conducted on schedule date & time. If any changes in the schedule will be informed accordingly to the respective suppliers.
7. The lowest bidder has to send a fax or scanned copy via email the duly signed filled-in prescribed format as provided on case-to-case basis to MFL through service provider within 24 hours of auction without fail.
8. Any variation between the on-line seal bid value and signed document will be considered as sabotaging the tender process and will invite disqualification of vendor to conduct Auction with MFL as per prevailing procedure.
9. In case MFL decides not to go for Reverse auction procedure for this tender enquiry, the price bids and price impacts, if any already submitted and available with MFL shall be opened as per MFL standard practice.
10. Bidding within the last minute and seconds should be avoided in the bidders own interest. Neither the Service Provider nor MFL is responsible for any internet speed slowdown or outage or due to any such failure on the part of the bidder, in such cases.
11. MFL reserves the right to negotiate, if required, with L1 bidder even after conclusion of the eRA, at MFL's sole discretion.

II Auction Rule for Finalization of the Contract:

MFL shall finalize the contract against this Tender through reverse auction mode. MFL has made arrangement with **M/s BOB Tech Solutions Pvt Ltd, Bangalore**, who shall be MFL's authorized **service provider** for the same.

Please go through the guidelines given below:

1. Computerized reverse auction shall be conducted by MFL, on pre-specified date, while the vendors shall be quoting from their own offices/ place of their choice. Internet connectivity shall have to be ensured by vendors themselves. In extreme case of failure of Internet connectivity, (due to any reason whatsoever may be) it is the bidder's responsibility / decision to send fax communication immediately to the **service provider**. Furnishing the price the bidder wants to bid online with a request to the service provider to upload the faxed price on line so that the service provider will up load that price on line on behalf of the Bidder. It shall be noted clearly that the concerned bidder communicating this price to service provider has to solely ensure that the fax message is received by the service provider in a readable / legible form and also the Bidder should simultaneously check up with service provider about the clear receipt of the price faxed. It shall also be clearly understood that the bidder shall be at liberty to send such fax communications of prices to be up loaded by the service provider only within the closure of Bid time and under no circumstance it shall be allowed beyond the closure of Bid time / reverse auction. It shall also be noted that the service provider should be given a reasonable required time by the bidders, to upload such prices online and if such required time is not available at the disposal of the Service provider at the time of receipt of the fax message from the bidders, the service provider will not be uploading the prices and either MFL or the service provider are not responsible for this unforeseen circumstances. In order to ward-off such contingent situation bidders are requested to make all the necessary arrangements / alternatives such as back - up power service whatever required so that they are able to circumvent such situation and still be able to participate in the reverse auction successfully. Failure of power at the premises of vendors during the Reverse auction cannot be the cause for not participating in the reverse auction. On account of this the time for the auction cannot be extended and MFL is not responsible for such eventualities. Bidding in the last minutes and seconds should be avoided in the bidders own interest.
2. The Bobtech shall arrange to train your nominated person (s), without any cost to you. They shall also explain you, all the Rules related to the Reverse Auction / Auction Rules Document to be adopted along with bid manual. You are required to give your compliance on it before start of bid process.
3. The opening price shall be the **lowest price of sealed bids** and the bid decrement shall be available to the bidders before 05 minutes of the start of the auction and same shall be displayed on the site.

The start bid price and the decrement value for the Reverse Auction will be communicated by MFL through email to the Bobtech before the start of Reverse Auction. In the event of the Bobtech uploading the Start Bid price and decrement value wrongly (other than indicated by MFL through mail) due to human error or due to any other reason, MFL reserves the right to withdraw such wrongly uploaded Start bid price and decrement value and upload again the correct start bid price and decrement value and continue the Reverse Auction with that Start bid price and decrement value. Till such time the correct Start bid price and decrement value uploaded and seen by the participants, the Reverse Auction is set to be under hold and the participants are to wait till it is restarted.

4. The technical & commercial terms are as per our NIT.

5. At the end of the reverse auction if required by MFL, bidder has to provide a detail break up for his lowest offer.

III Procedure of Reverse Auctioning:

1. MFL will declare its Opening Price (OP), which shall be visible to the all vendors during the start of the reverse Auction. The bidder will be required to start bidding after announcement of Opening Price and decrement amount.
2. The bidder who quoted the lowest total amount in Reverse Auction shall be treated as final L1 Party (L1 Party after Reverse Auction).
3. The reverse auction will be treated as closed only when the bidding process gets closed in all respects for the item listed in the tender.
4. If no bid is received within the specified time, MFL, at its discretion, may decide to revise Opening price / scrap the reverse auction process / proceed with conventional mode of tendering.
5. Tenderer bid will be taken as an offer to service. Bids once made by the tenderer, cannot be cancelled / withdrawn and tenderer shall be bound to provide service as mentioned above at final bid price. Should the tenderer back out and not provided the service as per the rates quoted, MFL shall take action as appropriate.
6. MFL's decision on award of Contract shall be final and binding on all the Bidders.
7. MFL shall be at liberty to cancel the reverse auction process / re auction/ tender at any time, before ordering, without assigning any reason.
8. MFL shall not have any liability to bidders for any interruption or delay in access to the site irrespective of the cause.
9. Other terms and conditions shall be as per your techno-commercial offers and other correspondences till date.
10. You are required to submit your acceptance to the terms/ conditions/ modality given above before participating in the reverse auction.
